Don't just take our word for it...

Philippa and Stuart, October 2017

Pieminister were fantastic from start to finish. They made the organisation very easy and had a comprehensive checklist that made sure no stone was unturned. They went out of their way to make it perfect for the groom who hates mint! On the day the team was brilliant. Professional service and the food was perfect. We had the canapés (yummy), Pies (delicious) and evening cheese/ham buffet (tasty and plentiful). Everyone raved about the pies and had a well-lined stomach to party through the night. A big thank you especially to Katie and Ian, who were both excellent.

Sarah and Dominic, October 2017

From the minute we emailed Pieminister they were up front, honest and helpful. It was so useful to have a price per head that included everything! So many caterers we emailed would say it was only £18 per head and then kept adding all these extra things to the price little by little instead of just being up front with it all. You made it so much easier to budget and understand by just including everything from the beginning.

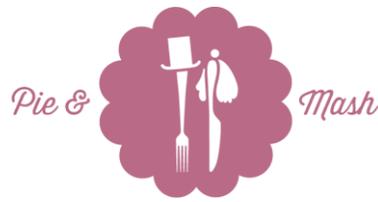

All the staff went above and beyond taking on an event managing role (which we weren't even expecting!) doing everything from helping us with the timeline for the day to getting back to our emails with a billion questions the same day to lighting candles to catering for guests with allergies to making sure each detail was perfect. We were really able to sit back and enjoy our day because we knew we were in good hands. And besides all of that, many guests went on and on about how delicious the food was especially American guests who had never had pie before!

I'm not sure I can even put into words how amazing you guys were – our day was absolutely perfect and that was due largely in part to you! So grateful for all your hard work and attention to detail that helped make our day perfect.

Lianne and Mark, September 2017

Planning a wedding can be a stressful experience but Pieminister made the process of working with a caterer easy. From the start, with their quick communication, helpful attitude and reasonable cost we have never regretted hiring Pieminister to caterer our wedding. Over the course of the year I had many questions and concerns for Pieminister due to having my reception at a dry hire venue, with the food affecting decisions of furniture hire, center pieces and overall design of our tables. Pieminister always responded to every question no matter how small quickly and clearly leaving me to be able to communicate the answer to other suppliers affected.

Not only is the service second to none the Pies are amazing! Every one of my guests commented on how original our food choice was and how delicious the Pies were!

Gemma and James, August 2017

Food was a really important part of our day and we had been aware of Pieminister from festivals and the restaurants. As a vegetarian, it was also important to me to have a top-quality veggie meal without compromising the meat eaters. From the moment, we booked Pieminister you exceeded all of our expectations. You have been so helpful throughout and went above and beyond to make our day even more special. Most of all the pies were absolutely delicious with many of our guests angling for a second. We cannot thank you enough Pieminister!

Vicki and Lucy, June 2017

Katie, Heidi and the team at Pieminister went above and beyond our expectations for the day. The planning was tremendous and gave us chance to enjoy our wedding day without having to even think about it. The pies went down a storm and the service offered was second to none. On behalf of Lucy and I, we'd like to thank everyone involved. You absolutely smashed it. You really were an inspiration.

Lucy and Dan, July 2016

From Faye's very helpful and timely correspondence through to the amazing organizing and delivery by Katie and her team, our catering experience with Pieminister was thankfully completely stress-free! Pieminister were so accommodating and it was great fun to have pies and all the glorious extras at our wedding!

As usual, the pies were simply delicious and there were lots of lovely compliments from our guests about the lemon meringue ice cream pie dessert. Pieminister were so friendly and professional and went above and beyond the duties of catering manager (my Mum even caught the Katie helping to keep the toilets clean & tidy!)

Thank you so much for all your help on the day – it really meant a lot to both of us. And we LOVE our Pieminister apron gift. We are and will remain dedicated Pieminister addicts for life! ☺

Andy and Rachel, 2015

Wow! Katie – we don't really know where to start but you truly did make our dreams come true, and simply made our wedding day perfect!! From the first planning meeting to the end of the night you and your amazing team were superstars. You filled us with confidence from the start with your obvious experience and genuine excitement for our wedding. We simply didn't worry about anything on the day, as it was clear to see the whole team had everything in hand and worked fantastically together in a relaxed but organised way. The pies were yummy (as always) and people are still going on about the sausage rolls now. The way you catered for everyone's needs was remarkable, still serving tasty different dishes for those that sadly can't eat pastry. It was definitely Good Times with Pies!

A MASSIVE thank you to you and your whole team for the mammoth amounts of work you did, and for making our special day the best day ever!
